## **WATCH OUT HERE COMES SPORTYHQ**

It has been known for quite some time that the ever reliable SquashMatrix was being retired by Squash Australia in preference to the introduction of SportyHQ.

That time has now arrived for Victoria and more particularly Club Circuit.

Whilst a lot of issue resolution and migration activity has taken place there are still a number of outstanding items being addressed as we get closer to our 2019 AUTUMN season commencement on Monday 4<sup>th</sup> February 2019.

In preparation for the start of the season Club Circuit has prepared a selection of individual documents that can be readily referenced from our website. They have been created as 'single issue' and can be found under **PLAYER HELP > SPORTYHQ HELP**.
