

## (TRIAL PROCESS SPRING 2019)

Each grade in SportyHQ has an option that enables players to nominate themselves as being available to be used as a fill-in. This option is called **SPARES**.

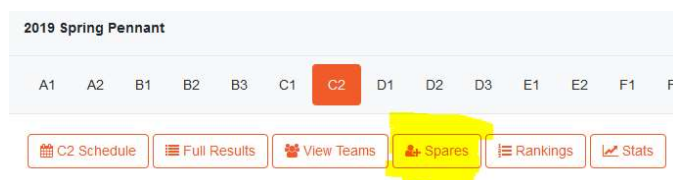

This option may be a potential solution that could be used to help clubs, with a limited player base, to find suitable fill-ins.

At the 2019 AGM it was agreed by all member clubs present that Club Circuit should continue this trial for SPRING 2019.

## Pre-Requisites

Players should meet the following conditions:

- Players should have the ability to fit into the grade player rating range (i.e. **C2 1000-1200**) or have the ability to be competitive.

- Ideally a fill-in player would be someone who has missed out on being rostered for a game in their own team for that week of play.
- Normal fill-in conditions will need to be satisfied otherwise the team will be liable to lose points.
- Where possible it may be more satisfactory to use a fill-in from a team other than the opposing team for the week concerned.
- Players who enjoy the full benefits of the evening including drinks and supper would be expected to share the normal costs for the evening.

## Process

Send a request to Club Circuit to add your name to the grade **SPARES**

Your phone number should ideally be accessible for a team captain to contact you.

(Refer to *Player Help* > *SportyHQ Help* – [SportyHQ: Allow access to my phone number](#))

Captains requiring a ‘fill-in’ will contact you if you fit their requirements.
