

## PLAYER SPARES OPTION

### REGISTERING AS A 'GRADE SPARE'

SportyHQ provides an option for players to be listed as a 'SPARE' in a grade. The intention of this option is to make all teams within a particular grade aware of players who are willing to be contacted to 'fill-in' for a team.

Club Circuit has determined that players may 'fill-in' for other clubs if they have permission to do so from their own Club Match & Pennant representative.

Players are required to submit a request to the Club Circuit Match & Pennant Chairperson who will add their details if considered appropriate.

### Conditions of Use:

- Use of 'SPARE' facility is intended for 'inter club' access ONLY.
- Use of this facility is limited to 6 occasions.
- Normal 'fill-in' rules must be satisfied.
- Players must be registered within SportyHQ with a valid rating.
- Players will not be eligible to play in finals for any team they have played for as a 'SPARE'.

### NOTE:

The option conditions described above were agreed to at the Club Circuit committee meeting held on 5<sup>th</sup> March 2020. Prior to this meeting a number of teams had successfully made use of this option as part of a trial to test the potential effectiveness of this option.
