(a) The captain of the winning team (or in the event of a drawn match, the home team), shall be responsible for conveying the match results to the appropriate records officer.
(b) The match result must be recorded on the official form for the competition and be a correct and complete record.
(c) Such results form shall be signed and certified correct by a member of each team and must be posted, at a post office no later than 9.00 a.m. on the morning following the match.

- (d) The Association may also require match results to be telephoned to the records officer, or his delegate, prior to a specified time limit.
31. **Eligibility to Play in Finals.**
 (a) To be eligible to play in the final series of a grade, a player must have played at least 1/3rd of the total number of matches played by the team during the season. 1/3 matches for a 14 week season implies 5 not 4, assuming no byes occur. Under special circumstances, however, the Pennant Committee may sanction the playing of players, who have not qualified under this By-Law, in any match in the final series.
 (b) No team shall be eligible to play in finals unless one member per team has gained the accredited level of refereeing or has attended refereeing lectures and made a reasonable attempt to pass the set written examination within the past 12 months. Failure to comply with the above may result in a fine. Should a team which has gained sufficient premierships points to qualify for finals not be eligible to play under this By-Law, the next eligible team on the premierships ladder shall take their place in the final series. Metropolitan associations may waive the above eligibility condition for any part of their competition.
 (c) No player, however, may play in the same final match of two grades.
32. **Premiership Points.**
 For all matches played during the competition two points shall be awarded for a win, and one point for each rubber won. To decide the winner of any match, rubbers shall be first counted, then games and, if necessary, points. Unless otherwise decided by the Association prior to the commencement of the season, at the conclusion of the Home and Away matches the winner of the Pennant Premiership shall be decided by the following:—
Final Four:
 4th team to play 3rd — Semi Final (S.F.)
 Winner S.F. to play 2nd — Preliminary Final (P.F.)
 Winner P.F. to play 1st — Grand Final
- OR**
- Final Three:**
 3rd Team to play 2nd — Semi Final (S.F.)
 Winner S.F. to play 1st — Grand Final
- The Pennant Committee shall determine whether a final three/four will be played off, excepting in a ten team draw where a final four will be played.
33. **Procedure if Teams Have Equal Points.**
 In the event of two or more teams being equal on premierships points at the conclusion of the Home and Away matches, the final order of such teams shall be determined by comparing the proportion of matches won to matches lost for each team and, if they be equal, the proportion of games won and lost shall then be compared: If the teams are still equal, then the proportion of points won and lost be compared. Any match walkovers, together with the corresponding match other teams involved in the calculation played against the team which had given the match walkover, shall be excluded from the calculation.
34. **Promotion Principle.**
 The principle of promotion will be followed for all grades. In all grades of one section only, the premier team will be promoted to the next higher grade. In grades with sections, the premier teams will be promoted to the next higher grade. Notwithstanding anything contained in this rule, if the relative strength of any team in the following season has changed from the previous season so that it is no longer considered by the Pennant Committee to be a team fitted for promotion, the Pennant Committee may set aside this principle. The exception to this principle shall apply to State 1st grade where, if the pennant committee considers that the premierships team from 2nd grade is not strong enough, that team will not gain promotion.
35. **Colour of Players' Clothing.**
 Players are permitted to wear either:
 (a) All white clothing;
 (b) Club Uniforms as approved by Council, or
 (c) Coloured clothing excluding dark colours such as black, navy, dark brown or similar which may only be used on trims.
36. **Non-eligibility of Pregnant Players.**
 Women who are obviously pregnant are not permitted to participate in Pennant Competition.
