

## Club Circuit Honour Board

An honour board listing all the clubs that have participated within the Club Circuit competition since its establishment in 1978 is currently '*hanging*' on display at the Kooyong Lawn Tennis Club. The board was originally located at the Sandringham Club but was relocated to the Kooyong Lawn Tennis Club in October 2023.

The information and detail listed below was researched and compiled by Paul Thorne and Steve Read from material contained in the original fixture books that they managed to source.

Thanks also to Mike Hussey (former secretary) who compiled a preliminary club list and who also provided a number of missing early printed fixture books from his own collection to complete the set of originals now held by Club Circuit.

The following club information is current as at JULY 2022.
